Beauty | February 12, 2023

To our beauty, **facials** can do a lot. They give our skin a smoother texture, proper hydration, and a glowing complexion, just to mention a few. No one can deny the benefits that the right treatments can bring about. But don't let those beauty sessions break your bank. It is best to look for **facial deals from some of the top beauty salons in Singapore** that can help you achieve both beauty and cost savings.

Take a look at the list below for the **best under \$150 facial deals [updated 2023]**.

1. FACE OF MAN

Face of Man is an award-winning skincare center that has brought miracles to m

faces since 1992. This facial spa with over 30 years of experience came to life as Singapore's first skincare center for men and is one of the most well-loved facial lounges in the city.

The center is praised for its exclusive skincare products, excellent facial solutions, and high standard of customer service. At Face of Man, each treatment is tailor-made to cater to the needs of each customer's skin condition. Best of all, their experienced aestheticians have gained special training to handle men's skincare.

This largest men's salon in Singapore is easily accessible through its three outlets in City Hall, Ang Mo Kio, and Jurong. All three salons have earned the SG Clean award for their good hygiene practices.

THE FACIAL DEALS:

1. **'Skin Correction System' – \$120:** An effective treatment for scars and uneven skin tone. This skin correction system helps stimulate the skin's own collagen and elastin production, resulting in the rejuvenation of the outermost layer of skin.
2. **'Fm Photon Shower' – \$120:** A treatment that can do wonders for all acne skin types. This advanced method combines dynamic pulsed light with the latest SND technology to achieve optimal youth and clarity for the skin. Just say goodbye to acne, pigmented spots, and fine hairs, and say hello to a new, youthful look.
3. **'o2 blast' – \$150:** An excellent therapy for treating acne, promoting skin healing, and preventing aging. This method uses high-concentration oxygen and anions to repair damaged cells, boost the immune system, and protect the skin from toxic substances.

PROMOTIONS:

- Use the code "**BESTSINGAPORE**" and enjoy various facial treatments at any Face of Man outlet for \$98. This promotion applies to skin purification, ampoule, skin correction system, and soothing mask treatments.

- The 30th-anniversary promotion—**30% off any facial services** (except purifying treatment and eye treatment)—is available from now until November 2023 at any outlet.
- The center's branch-opening promotion offers acne treatment for \$80 and anti-aging treatment for \$98. The promotion is available at the Jurong branch only.
